

REENERGISING THE WORKPLACE

OUR MISSION

We understand that under the current circumstances team morale can be low. Our Events are purposely built not only to boost Morale but encourage engagement, build confidence, help with employee wellbeing and have a positive effect on mental health. Now, more than ever is when we as business's need to be ensuring that our employees are looked after and given the support and reassurance they need to thrive.

Understanding Mental Health

Mental health problems range from the worries we all experience as part of everyday life to serious long-term conditions. Although certain symptoms are common in specific mental health problems, no two people behave in the same way when they are unwell.

Many people who live with a mental health problem try to keep their feelings hidden because they are afraid of other people's reactions. And, many people feel troubled without having a diagnosed, or diagnosable, mental health problem - although that doesn't mean they aren't struggling to cope with daily life.

In addition, according to a study completed by UK charity Mind, where there were over 16,000 participants, more than half of adults (60%) and over two thirds of young people (68%) said their mental health declined during lockdown.

From lockdown, to furlough and sadly redundancies, all businesses have been put under a severe amount of pressure this year in some way. Whatever you've been through.

OUR MISSION_{CONT}

How do we do this?

All of our events are custom made to your business and will involve team building exercises, ice breakers, learning and most importantly it will be fun and interactive.

We do this through a series of Virtual Reality experiences and host engagement.

We guarantee to get all taking part, involved.

Statistically speaking – 39% of surveyed employees believe colleagues don't collaborate enough within the work place. Collaboration in some work places doesn't necessarily mean focusing on a project together. It simply means INTERACTION. Interacting with your colleagues is vital within any work place for productivity. Essentially, it's the bread and butter. With encouraging this it will open up your workforce to communicate more and in turn, increase ability to work effectively and more efficiently.

How do we build confidence/encourage engagement?

We have a great selection of activities that are purposely hosted to Increase employee confidence.

We have escape room style experiences to encourage those quieter employees to come out their shell and put in what could potentially be the key to solve the riddle. Its important to try and break down these barriers as some employers don't fully understand the potential of some of their Employees. This in turn can give them the confidence to stand up and speak in other areas of your business and have a positive impact.

OUR MISSION_{CONT}

How do we help in retaining employees/positive mental health?

Is your business losing employees and paying the price to replace that team member?

We understand some business's have a short life span on employees and sometimes that can be just because of the type of business in question but often, it comes down to how we as a business look after our employees and make them feel welcome and at ease.

It's always great to reward your employees when a job is well done or just as a thank you for all the hard work, regardless of the outcome.

“Employees who don't feel recognized are twice as likely to quit in a year.”

This statistic is huge and isn't thought about enough. Not only do we lose employees from giving little to no recognition but we also then have to absorb the costs of employing someone to take their role.

“Peer-to-peer recognition is powerful—it's nearly 36% more likely to have a positive impact on financial results than manager-only recognition.”

Whilst sometimes its easier to give the manager a “pat on the back” as a job well done, and the good intentions being there. This isn't always passed down the line to the people that actually put in the hard work for the results. This in turn will drive productivity and morale into the ground.

THE SOLUTION

An easy solution?

A hassle free, fun activity that will scream **“THEY CARE”**.

Given what we know about recognition in the workplace and its impact on a company’s bottom-line and wellbeing, it’s crucial to build the habit of appreciating others.

OUR FAQs

Q. How long will the Event take?

A. All our Packages are tailored to your needs and availability however, one hour is the minimum time frame an event can be hosted for. We can also run day long events.

Q. How much space do we need?

A. Your space is not a huge factor, we have packages that are fun to enjoy whilst stationary or seated. If the full experience is what you are wanting then we would require a minimum space of 4m x 4m space per Virtual Reality Headset.

Q. How is this a Team Building event?

A. Our main purpose of our events is Team Building. We do this by using fun and games to encourage discussion, sharing of ideas and most of all TEAM WORK. Working environments are often stressful, using frequent team building events allows for employees to connect on a more social level whilst still creating foundations for a working relationship.

OUR FAQs CONT.

Q. Do you require an internet connection?

A. Yes, our Virtual Reality headsets require internet. If your office doesn't have internet access we can connect remotely. If this is the case please let us know before booking.

Q. How many people can participate?

A. We have a maximum of 4 people per headset and each session will take around one hour. Our most popular package includes two headsets which then allows 8 people to participate per hour.

Q. What type of games can we choose from?

A. We can offer anything to fit your criteria on what you're trying to achieve from our events. We have games focusing around team work, Head to Head, Top Score and much more. You have the ability to cut shapes to music all the way through to Exploring Anne Franks house.

Q. Are you insured?

A. Yes, we are fully insured to give all involved, peace of mind.

What's Involved?

Firstly, we tailor a package of games and activities to your needs. This can be anything from focusing solely on Team building or just a general fun day in the office. Whatever it is you need, we can cover!

We will arrive at your office half an hour prior to your booking slot to ensure all equipment is setup, Covid19 protected and prepared to great our first set of Clients.

We will host an hour long event which will typically include escape rooms, Walking the Plank, Bomb defusals and some straight up Shooting action!

If a second set of Clients is up next, we would take 5 minutes to clean down all headsets and again, ensure were fully covid19 protected.

Our main aim through this is to encourage people to work together and more so, meet each other on a more social level.

Once the event has been completed we then require a further 30 minutes to package up our equipment and ensure the room is back to a working environment.

Client Testimonials

“What a great experience! We booked our event to give our office a boost. Due to Covid19 we had suffered a big drop in morale. The whole workplace is back to its usual self and we cant wait to book again. Thank you, guys!”

Sophia Montrose
Director of Montrose Studios

“Loved every minute of this, with the team returning to work after such a long time off this was much needed. An amazing experience with a huge impact straight away on productivity, not to mention the TONS of fun we all had.”

Daniel McGuire
Bollington Legal LTD

Coronavirus Safety

We know that returning to work is a hard time during the current pandemic is an unsettling time for all. Our aim is to make sure that not only do we remain protected but we also put each and every client at ease. This being said please see our Action plan below for all bookings –

- Prior to any booking all our headsets are alcohol cleaned. We thoroughly clean every small part of our VR headsets and accessories.
- Upon arrival at any Event we will perform another deep clean of our headsets to ensure your mind is at ease and can witness our cleansing routine.
- Prior to anyone entering the room in which said Event is taking place, we will check all person(s) temperature via a thermometer that takes a reading from the forehead.
- During ALL events each person will be given a temporary face mask which MUST be worn when using our equipment. This is to ensure that no germs are passed through skin contact.
- If you have more than one slot booked, we will then take a 5 minute break between slots to re-clean in order to begin our second session.
- Upon completion of ALL events, our headsets and accessories are then cleaned a final time before being packing away.

Space Requirements

Due to our Events being mostly based off movement it is essential that you have enough space for this to take place. Below you will see the minimum space we require to Host your event. The images shown are for ONE Virtual Reality Headset and 4 Total Players. If you would require TWO headsets the area needed will in turn, double. Each Players seat MUST be 2 meters apart for us to follow Distancing Guidelines.

BOOK NOW

So what are you waiting for? Take that step to a happier, more motivated office TODAY.
